People will be present in the foyer to assist you. Everyone must be in the habit of bringing phones to church and signing in via the QR code as required by our State Government.

## **CAFÉ COFFEE CHAT**

Cafe Coffee Chat is held at Cafe at the Church of Christ, 46-48 Montclair Avenue, Glen Waverley. There is plenty of 2-hour parking across the road. Light lunches and coffee/tea available at good prices. Men and women welcome as well as your friends. (Susanne Hudson).

## **THANK-YOU**

Some very special people led and helped yesterday to make the Ladies' Breakfast a very worth-while event. The speaker did a wonderful job in relating her journey through cancer and how her heavenly Father helped her. We thank Peter Hudson for his initiative and organisational gifts. Well done!

## **SAFE CHURCH TRAINING**

Many members of our congregation are now due to renew their Safe Church Level One training. Most are eligible to complete the Refresher. A Refresher workshop is scheduled for **Sunday 13<sup>th</sup> June, 11:00am-2:30pm at Redeemer, Waverley** (Following worship). BYO lunch.

Face-to-face training is always the preferred option, but self-paced online Refresher training is also available. Online registration is required for both methods, using the following links.

## **FIRST AIDER REQUIRED**

If you have completed a first aid course and it is current, would you please let Pastor Wayne know? We have a Safe Church programme and our wish is to be able to respond to anyone requiring physical attention, especially when we gather in larger groups such as worship or at special events, such as a picnic or working bee.

## **ETERNITY NEWS**

This is a terrific website. You will remember the hard copy issued periodically but at present, it has gone online. Details can be found here: <https://www.eternitynews.com.au/> Please have a look at "The Chosen", which is advertised by Eternity. It is now in the second season but the first series is available. The App is free but better yet is that both seasons are free for streaming (suitable for a smart television or otherwise use a film caster such as Chromecast for older televisions. Each episode is under an hour and follows the life of our Lord Jesus but in a creative manner and without the cringe effect. You could invite a friend to view it with you and not be at all uncomfortable.

## **ONLINE WORSHIP**

Live streaming is now going really well and is providing a great service to those unable to be physically present. Would you kindly promote this amongst your Christian friends so that those on holidays, unwell or any other reason for not being able to come to a face to face worship service can still participate in the word and Holy Communion.
